

**STATE OF MISSOURI
TAXES**

The Constitution of Missouri, Article X, Section 8, provides general guidelines for property taxes within the State. It limits the State tax on real and tangible personal property to ten cents on each hundred dollars assessed valuation, excluding any tax necessary to pay any bonded debt of the State.

Presently there is a State property tax of three cents on each hundred dollars assessed valuation on all real estate and tangible personal property in the State. This tax collects approximately twenty-one million dollars a year and is paid into the Blind Pension Fund, a Special Revenue Fund.
